The Education (Pastoral Care of International Students) Code of Practice 2016
When students come to study in New Zealand, education providers have an important responsibility to ensure that those students are well informed, safe and properly cared for. To support this, the New Zealand government has developed the Education (Pastoral Care of International Students) Code of Practice 2016.

What is the Code of Practice?
The Code of Practice prescribes the required outcomes education providers and their agents need to deliver for their international students.

The Code of Practice does not apply to concerns about academic standards.

Summaries of the Code can be found on student notice boards and full information is available online from http://www.education.govt.nz/ministry-of-education/legislation/regulations-to-support-international-students/

ELA Code of conduct

For the safety and comfort of all students at the ELA, all students must agree to the following Code of Conduct, as well as the Terms and Conditions of Enrolment that students sign at the time of application.

Sickness
If a student is going to be absent for medical or personal reasons, the student must call the ELA Receptionist by 9:00am (tel. 09 919 7695) on the day and tell the receptionist. A doctor’s certificate will be requested by the Student Support Advisor or Student Services Manager if the student is absent for two(2) school days or more. A student who has an extended excused absence due to health issues will have their attendance issue assessed individually.

Please note:
It is not acceptable for the doctor’s certificate to be written in any other language except English. The certificate must come from a New Zealand registered Doctor. Certificate must be current and presented immediately on return to the school.

Behaviour
• Students must be prepared for class and arrive on time.
• Students who arrive 30 minutes late will not be allowed to attend the session. Continued lateness to class will affect a student’s attendance record, and may result in them failing the class. More than 3 late incidents equates to 1 days absence.
• Sleeping in class is not acceptable.
• Students must complete any work set by the teacher on the due date. Completion of classroom task and homework will be part of the assessment for the course. Students are expected to participate actively in class.
• No food or drink is to be consumed in class and no chewing gum. Water in bottles is acceptable.
• The school has a smoke free policy. Smoking in the school and near the school buildings is strictly forbidden.
• Students are expected to treat teachers with respect and follow teachers’ instructions. Students are expected to treat other members of their class with respect. Mobile phones must be switched OFF during class time. Students who disobey this rule may be asked to leave class and not return until the next day – they will be marked absent.

Please note:
Teachers will speak to any student who behaves inappropriately in class. The teacher will record any incidents and a behaviour warning may be given to the student as a result. If the student’s behaviour does not improve an Academic Manager will speak to the student and a final warning will be issued. A letter will also be sent to the student’s agent/parent if applicable. If there is no improvement after this time the student’s enrolment at the ELA will be cancelled, with no refund of fees.
• Familiarise yourself and comply with building evacuation procedures. In the event of an evacuation, whether real or practice, follow the instructions of wardens and ELA staff.
• Attend the school in a coherent and sober state; neither alcohol nor drugs (other than for medical purposes) are permitted on the school premises.
• Be courteous and considerate to all members of the school community. Ensure members of the school are not harassed directly or indirectly on grounds of their gender, race, sexual orientation, or religion, or by the use of threatening, offensive or abusive language.
• Maintain professional standards of dress, personal hygiene and behaviour at all times.
• Obey the laws of NZ.
• Observe all health and safety regulations of NZ and the school.
• Protect members of the school community and report potential or actual hazards, breakages or loss to a member of staff.
• Provide the school with up-to-date contact information.
• Respond to all formal communications from the school.
• Infractions against this code or any failure to follow lawful, reasonable instructions by members of staff may result in expulsion from ELA.

Harassment
The ELA is committed to providing a work and study environment that is free from any form of harassment, including sexual harassment. The school finds any form of harassment (whether verbal, physical or emotional is unacceptable) and recognises the adverse effect such behaviour has on people.

All staff and students have a right to be treated with equal regard, dignity, concern and decency. Any action or inaction, communication or behaviour that could be interpreted as harassment will not be tolerated. Harassment of any kind that denies the worth, integrity and dignity of human beings, and failing to respect human rights, may constitute unlawful discrimination.

Harassment of any kind, if proven, constitutes unacceptable behaviour. The school may enforce disciplinary action if a student or staff member is found to have harassed another student or staff member.

The ELA will provide impartial processes for dealing with harassment and will assist in the resolution of complaints. These processes are available to everyone in the school environment including students, staff, contractors or clients of the school.

Disciplinary Procedures
Students must abide by all school rules as detailed in the Student Code of Conduct.

The following procedure will be used if a student breaks this code:
• Any student breaking this code or in breach of general acceptable behaviour will, in the first instance, be spoken to by their teacher.
• Continuation of the breach or breaking of the code will result in a meeting between the Student Services Manager and the student concerned.
• The student will receive a maximum of two written warnings before appropriate action is taken. The action could vary according to the severity of the behaviour and whether the behaviour places other people or property in danger.
Immediate Student Expulsion
The ELA reserves the right to expel and deregister a student in the case of ongoing unacceptable behaviour. In any serious case of misconduct by a student, no warning process is necessarily utilised.

Immediate student expulsion would be considered in (but is not limited to) the following circumstances:

• The student is abusive, threatening, or generally considered to be a safety risk to a member of the school staff, another student, and a visitor or to themselves.
• The student downloads pornographic or offensive material and/or reproduces and distributes such material.
• The student harasses another person in the school on the grounds of race, gender, religion or sexuality.
• Using illegal drugs at the school.
• The student continuously refuses to abide by the Student Code of Conduct and/or Behaviour while on Campus Policies.

Students who are expelled from the school are not eligible for any refund of any fees. In the case where the expelled student has outstanding fees owing to the school, they will be required to meet payment obligations as per their full invoice. Immigration New Zealand will be notified of the termination, and no qualification will be awarded. The students’ agent/home university will be notified of the termination.

Speaking English
Students must use English in the classroom. This is especially important when there are students in your class who do not understand your language. Your time in the classroom is your English practice time and you should use it to improve your English speaking and listening skills. Teachers may ask you to stop speaking your own language if this is disruptive to the class or other students cannot understand what you are saying.

Computers
Computers are provided in the Study Centre on Level 5, 67 Symonds Street. They are available for use from 10.00am until 6.00pm. Monday - Friday 12.00pm - 5.00pm Saturday and Sunday

The following rules apply:
• No food or drink near the computers – sealed drink bottles are acceptable.
• Please have your ELA ID card available for inspection when using the computers, if you do not have it you may be asked to stop using the computers.
• Maximum of 15 minutes on the computers if other students are waiting.
• Students are forbidden to visit inappropriate internet sites with content that is pornographic and/or violent. The ELA server will usually prevent such offensive pages being downloaded. Students found visiting such sites will be given a written warning. If they offend again, they will be expelled with no refund of tuition fees.
• Friends and students who are not studying at the ELA are NOT allowed to use the computers.
• Students should not use the computers during their class time.

Student Lounge
The student lounges are provided for rest and relaxation, and as a place to eat lunch. Drinks and cold filtered water are available for students, as well as microwaves. The following rules apply:
• Please clean up after yourself – put rubbish in the bins provided and return used cups to the kitchen sink.
• Be respectful towards our house keepers. They are not there to clean up your personal mess, you must do this yourself.
• Do not take any of the cups, cutlery or furniture out of the Student Lounges

If you cannot reach an agreement about your grievance, or you do not want to approach the person directly, please contact any of the following:

Senior Academic Manager
Student Support Advisor
Student Support Manager

If you still do not believe your issue has been addressed fairly and within the Terms & Conditions of Enrolment you may contact NZQA.

Weather
Situated in the Southern Hemisphere, New Zealand’s seasons are the opposite of those in the Northern Hemisphere. The climate is temperate with cool, wet winters and warm, dry summers.

- Summer: December – February, 20 - 25 °C
- Autumn: March – May, 15 - 20 °C
- Winter: June – August, 10 - 15 °C
- Spring: September – November, 15 - 20 °C

The weather in New Zealand is changeable, even during one day. It is a good idea to have a raincoat or umbrella with you at all times in Auckland. Sometimes we have four seasons in one day! You need to be prepared for sun and rain, hot and cold. If you feel cold, do put on some warmer clothes. If you feel cold in bed at night, ask your homestay parent for another blanket.

Sun Protection
The NZ sun is very intense. NZ has one of the highest skin cancer rates in the world. It is important that you reduce the risks of sun damage by using sunscreen with SPF of >30.

- Apply sunscreen 15 minutes before going out in the sun to all skin that will be exposed to sun e.g. face, top of feet and every 30 minutes if swimming
- Wear a hat
- You will need sunglasses with UV protection

Currency
The New Zealand Dollar is the only currency used in New Zealand.

- One dollar (NZ$1) = 100 cents. There are several different notes and coins used:
  - Notes: $5, $10, $20, $50, $100
  - Coins: 10c, 20c, 50c, $1, $2

Most overseas currencies are easily exchanged in New Zealand banks or at a money exchange centre (called a Bureau de Change).

Transport
Buses
The main points around the central city that buses leave from are: Britomart, Customs Street, Commerce Street, Victoria Street East and West, Wellesley Street and Albert Street. The bus departure point depends on which area of the city they are going to. Please refer to your map for exact locations of these streets. If you are studying 16 weeks or more, you can get an AT Tertiary Sticker discount on bus ticket from ELA reception.

Your homestay family will show you what bus to catch and where to catch it from. Bus timetables are available from Information Centres and Star Mart’s (located throughout Queen Street).

Working In New Zealand
New Zealand has minimum rights and entitlements which apply by law to all workers. These rights apply if you are on a Study, Work or Working Holiday Visa and whether or not they are written in your employment agreement.

Employers must provide all employees with a written employment agreement and pay at least the minimum wage. The adult rate has recently increased to $15.25 per hour on 1 April 2016.

Employers must give you paid annual holidays, paid rest breaks and unpaid meal breaks. You are entitled to public holidays off or compensation for working on those days.

Employers must not deduct money from wages without the agreement of the employee in writing.

Employers must provide a safe workplace, not discriminate against any employee and always act in good faith.

If your employer is not meeting these obligations you can call the Ministry of Business, Innovation, and Employment’s (MBIE) contact centre on 800 20 90 20 for help (ask for the “Language Line”) if you want an interpreter.

Flatting
“Flatting” in New Zealand means renting a house or apartment (flat), either on your own or with other people, and it is common among those who are studying in New Zealand for extended periods. A range of accommodation can be found from 1 or 2 bedroom units in blocks to 3-5 bedroom houses on their own section. Normally you have your own room but share facilities with your flatmates. Flats are generally advertised in newspapers, on student notice boards and the internet.

Passenger safety

Drink Driving
The amount of alcohol drivers under twenty years old are legally allowed to drink before driving is so small that it is safer not to drink at all. Driving while over the legal alcohol limit is a criminal offence in New Zealand. There are severe penalties, including licence disqualification and suspension and prison terms for driving while over the legal alcohol limit.

Speeding
The maximum speed limit in New Zealand is 100km/h. Most urban streets have 50km/h limits. Speed limits are well sign posted, and can vary on the same stretch of road, so watch for them. Drive to conditions. In poor visibility and bad weather it may be appropriate to drive more slowly than the speed limit.

Safety belts
Drivers and passengers are legally required to wear a safety belt. There are fines for not wearing safety belts.

Failure to give way at intersections
Intersections are places where two or more roads intersect or meet. Look for traffic wherever it may come from and give way to your right.
Refer to the Road Code for more detailed information, as New Zealand’s Give Way Rules are unique. This can be found at www.nzta.govt.nz

Driver fatigue
Driving when you are tired or have not had enough sleep can affect your driving. Signs of fatigue include finding it hard to focus, poor decision-making, and slower reaction times. Plan your trips so you have plenty of sleep before you drive. If you are driving and you feel tired, stop driving and have a sleep, drink water or coffee, and circulate fresh air into the car.

What to do in case of an accident

- If you are in a car accident, exchange details with other drivers involved (name, telephone number, address, type and colour of vehicle, vehicle registration number, and insurance company).
- If the accident is serious and/or the other driver denies fault, note down other factors such as names of any witnesses, road names, if either party was carrying passengers, the time of day, and the weather conditions.
- In the case of a non-injury accident, a driver or rider must give his/her name and address, the vehicle owner’s name and address, and the registration plate number of his/her vehicle to other people involved in the accident.
- If a non-injury accident results in damage to an unoccupied vehicle or other property belonging to someone else, this must be reported to the owner of the property within 48 hours. The driver must give his/her name and address, the registration plate number of his/her vehicle, and the location of the accident to the owner of the damaged vehicle or property. In cases where the owner of the damaged unoccupied vehicle or property is unknown or cannot be contacted, the accident must be reported to the Police at the nearest Police station within 60 hours.

Pedestrians
Be aware that cars won’t always stop for pedestrians.

- Look right, look left, and look right again – cross the road

Use controlled crossing points (pedestrian crossings, pedestrian traffic lights) where possible. If you are within 20 meters of a pedestrian crossing, you must use the crossing to cross the road.

Courtesy Crossings - which are usually made of bricks or paving – are not official pedestrian crossings. They provide a place where motorists can stop safely to allow pedestrians to cross. However, motorists are not obliged to stop at courtesy crossings, so use them with care.

Use the kerb drill to cross the road:

- Find a safe place to cross
- Stop one step back from the kerb (practise this by walking to the kerb and taking one step back)
- Look and listen for traffic wherever it may come from (Look right, look left, and look right again).
- If there is traffic coming, wait until it has passed, then look and listen for traffic again.
- When there is no traffic coming walk quickly straight across the road, looking each way for traffic.
Homestay Guidelines

Speaking English every day in a friendly supportive environment is one of the best ways to become fluent. Your host families are carefully selected New Zealand homes where you can become part of the family and enjoy the friendship and hospitality of New Zealand people.

In New Zealand women and men are treated equally. Women must be given the same respect as men. It does not matter what country a person comes from, they will be treated as an equal. You may find you are placed in home with a New Zealand family who has not been born in New Zealand. They will speak English even if they have an accent.

Homestay accommodation includes your own room and two meals (breakfast and dinner) Monday to Friday, and all meals for weekends and public holidays. If you want other foods such as soft drinks, potato chips or sweets during the day at school you must buy these items yourself. Some families feel it is not polite to help yourself to food from the refrigerator or pantry. Please discuss this with your homestay.

All students and families will be monitored to ensure they are compatible. However, if a problem does arise, please contact the ELA Accommodation Coordinator.

All emergencies contact 0800 864 737. This is a free call for students.
